

## Dove Net Technician Scheduler (Dispatch Board)

New capabilities added to the "Technician Scheduler."

1. This view is specifically designed for Multiple Appointments in one day.
2. You can change the time and length of an appointment.
3. You can see / set the Status and Priority of the appointments.
4. There is a Pop-Up for Appointment Details.
5. Appointments added to the Dispatch Board can be Auto-Sent to TPS Mobile®
6. Appointments sent to TPS Mobile are Auto-Updated when Complete (Green).

The screenshot displays the 'Dove Net Technician Scheduler (Dispatch Board)' interface. The window title is '22 Appointment(s) for January'. The interface includes a menu bar with options like 'Svc', 'Install List Both Product(s)', 'Group', 'Purge', 'Color', 'PrintScn', 'Report', and 'ReList'. Below the menu bar, there are controls for 'Month', 'Day', 'Week', 'Tech Time Line', and 'Show: Day in 2 Hours Default view'. The main area is a grid with technicians listed on the left and time slots (6:00 AM, 8:00 AM, 10:00 AM, 12:00 PM, 2:00 PM, 4:00 PM) on the top. A list of technicians includes AAA Contractor, Acree, Big John, Chuck, Dave Smith, Demo, Fred, Larry Smith, Richard R Shipley, Steve, TONY on V7, TPS 2, TPS Mobile, Tom, Tony 2 Cell Phone, Tony 3 Cell Emulator, Tony Nasca on Surface, Tony on Mx17w10, and William D Shipley. The grid shows several appointments, each represented by a colored bar with '2 TECH LT' and a status icon. A context menu is open over one of the appointments, showing options like 'Add', 'Edit', 'Status - Active', 'Status - Done', 'Status - Cancel', 'Importance - Normal', 'Importance - Medium', 'Importance - High', and 'Delete'. A 'Pop Up Info Screen' is also visible, showing details for 'Project# 101150XX'.
