

Company ID's

Forte processes through various banks and has multiple Company ID's. To ensure there are no issues with processing when debit blocks or filters are in place, please provide all of the Company ID's to your bank. If you have a customer who uses debit blocks or filters, they must also provide the below list of Company ID's to their bank as well as one additional Company ID as described below.

5330903620

2330903620

1330903620

1550895818

1000+MID *** (for a merchant providing Company ID's to their customers you must also provide Company ID: 1000+MID) For example, if your merchant ID is 125989 the Company would be 1000125989. ***

If processing credit cards, the below additional Company ID's will need to be added:

5469221406

4469221406

1310281170

1310676865

92643720CT

92643720CC

92643720AH
